CAPABILITY STATEMENT

Government & Commercial Supply Solutions

Nationwide product sourcing and delivery

Responsive sourcing. Clear documentation. Coordinated delivery.

ASPECT CONSTRUCTION LLC is an owner-led small business providing commercial-product sourcing and fulfillment support to federal, state, county, municipal, school-system, institutional, and commercial buyers. We review specifications, availability, documentation, freight, and delivery terms before quotation.

SAM.gov Active	Broward County Vendor	Minority-Owned Business	Credit Cards Accepted

CORE CAPABILITIES

Specification Review
Model numbers, salient characteristics, quantities, compatibility, and brand-name-or-equal requirements.

Commercial Product Sourcing
Manufacturer, distributor, and reseller research for pricing, stock, lead time, warranty, and traceability.

Quotation Development
Clear proposed-item identification, pricing assumptions, validity period, and delivery considerations.

Documentation Support
Country of manufacture, warranty, reseller, product, and compliance documentation requested when required.

Freight & Delivery Coordination
Nationwide delivery planning including oversized freight, accessorials, appointments, and timing.

Expedited Sourcing
Emergency and expedited inquiries reviewed subject to availability, compliance, freight, and confirmed delivery.

PRODUCT CATEGORIES
